- D. Old Business: A rendering of the Swanton’s Town Garage used for Grand Isle’s Highway Garage will be produced for Town meeting as a visual aid for the public.
- E. New Business: Will King will be emailing information on another solar array project. This one is to be located on Hansen Lane. Asking for review and support from both PC and SB. The Allen Road solar array project is at a stand still right now due to getting through the Land Trust. The Hansen project is similar in concept just a different location. PC will review at the next meeting scheduled for 03/19/19. No meeting the 1st Tuesday due to Town Meeting.
- F. Other Meeting Attendance Update: The SB has made a motion for the Highway to use the old fire station as storage. Shawn Mercy will continue his communications with David Roy on any code analysis updates. The question arises as to whether there will be anyone at Town Meeting to represent the Planning Commission. Shawn Mercy will do his best to be present.
