- D. New Business: ZAO-No applicants have been received. Discussion occurred on the transfer station regarding Grand Isle resident usage and out of town patrons. Currently there is a \$75 annual fee (from the date of purchase) for out-of-town permit. This permit allows for usage at the transfer station which includes recycling for free and garbage at the same residential rate of .25 per pound. To waive or not to waive the annual fee is the question.
- E. Old Business: The Highway garage project is in the hands of the Selectboard now. Jeff as SB Chairman is working on the RFP and DRB application.
