

## Grand Isle Recreation Committee

August 12, 2020

Called to order: 6:06

-Sheriff's Department- in support of installing cameras HIGH. WIFI and directly routed to the station so the sheriff will have access, already approved by the Select Board.

- Jaime will call Xfinity to get quote (no more than \$60.00).

-Electrician, Matt Stewart attended the meeting and will be submitting an estimate. Timely reporting will make this more effective.

-It was also recommended that the gates in the main entry be move back to the road to limit access. (vehicles late at night driving down to the basketball/pickleball courts.

-Norm Smith offered to buy 2 cattle gates to block other parking lot but at this time the sheriff's department doesn't feel it's necessary.

-Rec committee will need to cover the graffiti in the dugouts

-clearing the underbrush- Silent Tree Service will clear all trees, ship them bring an additional 6 loads and spread the chips for \$650.00.

-Any other cut branches will be piled next to the State Park field to block access to four wheelers.

- New signage needed near boulders to prevent vehicle access.
