Easter egg hunt

-Easter is April 4th this year and everyone wants to host the event but we are restricted due to COVID again this year.

YOGI is in full swing this year and are already signing players up for the season. Their field clean up day is going to be somewhere around April 26th but NOT on Green Up Day due to requests by North Hero community.

Jaime has been in contact with Robert @ VT State park about the use of the field next to the softball field for tee ball this year. Everyone is in agreement and Dylan Degree will be staking the area out.

-Amy will be contacting Bob Nolin about brush/tree area behind the bocce court and swings area for a new multi field use space.

-Internet service for Donaldson Park is getting installed this month along with security cameras and will be set up for sheriff's to view as well.

-Erin Prouty & Emily Rich are working together to put together a one week pilot summer camp program this year. They are working with Melissa at the town office about licensing & insurance. They will need to hire 6 counselors before taking any applications. They are also looking into local businesses for donations for the program. Camp fee would be \$50/per camper and \$25/each sibling. They will post an ad on FPF for counselors.

Next meeting: April 14th @ 7pm
