SECTION 8. IMPOUNDMENT.

- A. **Grounds for Impoundment.** Any dog may be immediately impounded if the dog:

Such notice shall inform the owner of the nature of the violations, the dog's location, and the necessary steps to have it returned to the owner.

If the owner of the dog is unknown, the officer who impounds a dog shall, within twenty-four (24) hours of impoundment, post a public notice. Notification shall be posted in the town clerk's office and other usual places for public notice for a ten (10) calendar day period. The public notice shall include a description of the dog, including any significant marks of identification, and when and where it was impounded or found by the person placing the dog in the town's custody. The public notice must also declare that, unless the owner 1) claims the dog, 2) pays all expenses incurred by the town for treatment, boarding and care of the dog, and any applicable penalties, and 3) takes all necessary remedial action within ten (10) calendar days following posting, the town may place the dog in an adoptive home or transfer it to a humane society or rescue organization. If the dog cannot be placed in an adoptive home or transferred to a humane society or rescue organization, it may be destroyed in a humane way.

- C. **Release from Impoundment.** Impounded dogs shall be released to the owner only after payment of all penalties and impoundment fees (including, but not limited to, boarding, food, and veterinary expenses), the final disposition of a potentially vicious dog or vicious dog hearing if applicable, and after all necessary remedial action, as determined by the enforcement officer in consideration of the violation committed, is taken by the owner. Remedial action shall include, but is not limited to, such actions as providing a collar and current license; verification of certification of current vaccination against rabies; payment of all applicable fines or waiver fees; compliance with any applicable protection order of the Selectboard, and proof of satisfactory successful completion of a program designed to improve the owner's understanding and execution of dog ownership responsibilities.

If the owner of a dog impounded under the provisions of this ordinance refuses to take the remedial action necessary to secure the dog's release within ten (10) calendar days following notice of impoundment or gives notice either personally, by telephone call, or in writing to the town of forfeiture of ownership before that time, the dog may be placed in an adoptive home, transferred to a humane society or rescue organization; or, if the town is unable to transfer the dog, it may be humanely destroyed. The owner of a dog transferred or humanely destroyed shall remain liable for all expenses incurred by the Town for treatment, boarding and care of the dog for the duration of its impoundment, and any expenses associated with its transfer or humane disposal which the Town may recover in an enforcement action in a court with competent jurisdiction. All unpaid expenses shall accrue interest at a rate of three percent (3.0%) per month for each month or portion thereof during which the charge or amount remains unpaid from the date when the charges first became due payable.

- D. **Rabies Suspect.** The procedures provided in this section shall only apply if the dog is not a rabies suspect. If an official designated by the Selectboard to enforce the provisions of this ordinance determines that the dog is a rabies suspect, the Selectboard shall immediately notify the Town Health Officer who shall proceed in accordance with the Vermont Department of Health's rules.

SECTION 9. INVESTIGATION OF VICIOUS DOGS.

- A. **Complaint.** When a dog has bitten a person while the dog is off the premises of its owner or keeper, and the person bitten requires medical attention for the attack, such person may file a written complaint with the Selectboard of the municipality. The complaint shall contain the time, date, and place where the attack occurred, the name and address of the victim or victims, and any other facts that may assist the Selectboard in conducting its investigation.
- B. **Investigation and Hearing.** The Selectboard, within seven (7) calendar days from receipt of the complaint, shall investigate the charges and hold a hearing on the matter. If the owner of the dog which is the subject of the complaint can be ascertained with due diligence, said owner shall be provided with a written notice of the time, date, and place of hearing and a copy of the complaint.
- C. **Protective Order.** If, after a hearing on the matter, the dog is found to have bitten the victim without provocation, the Selectboard shall make such order for the protection of persons as the facts and circumstances of the case may require, including, without limitation, that the dog is disposed of in a humane way, muzzled, chained, or confined. The order shall be sent by certified mail, return receipt requested, to the owner. A person who, after receiving notice, fails to comply with the terms of the order shall be subject to the penalties provided in 20 V.S.A. § 3550.
- D. **Rabies suspect.** The procedures provided in this section shall only apply if the dog is not a rabies suspect. If a member of the Selectboard or an Enforcement Officer determines that

the dog is a rabies suspect, the Selectboard shall immediately notify the Town Health Officer who shall proceed in accordance with the Vermont Department of Health's rules. If the dog is deemed healthy, the terms and conditions set forth in the Selectboard's order shall be enforced.

SECTION 10. POTENTIALLY VICIOUS DOGS.

A person claiming a dog is a "potentially vicious dog" may file a written complaint with the Enforcement Officer. The complaint shall contain the time, date, and place where the alleged behavior occurred, an identification of the domestic pet or animal threatened or attacked, the name and address of any victim or victims, and any other facts that may assist the Selectboard in conducting its hearing. Upon receipt of a "potentially vicious dog" complaint, the Enforcement Officer shall make a determination whether the facts alleged in the complaint meet the definition of "potentially vicious dog." If the facts in the complaint do not meet the definition of "potentially vicious dog" the Enforcement Officer shall provide the person making the complaint with a written determination explaining why the alleged facts do not constitute a "potentially vicious dog." If the Enforcement Officer determines the facts alleged in the complaint meet the definition of "potentially vicious dog," the Enforcement Officer shall forward the complaint to the Selectboard and the Selectboard shall proceed as in the case of a "vicious dog" complaint using Section 9 B-D. above, with the exception that if the Selectboard determines that the behavior classifies the dog as "potentially vicious" the Selectboard may order any protective measures be taken absent the dog being humanely destroyed.

SECTION 11. OTHER LAWS. This ordinance is in addition to all other ordinances of the Town of Grand Isle and all applicable laws of the State of Vermont. All ordinances or parts of ordinances, resolutions, regulations, or other documents inconsistent with the provisions of this ordinance are hereby repealed to the extent of such inconsistency.

SECTION 12. SEVERABILITY. If any section of this ordinance is held by a court of competent jurisdiction to be invalid, such finding shall not invalidate any other part of this ordinance.

SECTION 13. EFFECTIVE DATE. This ordinance shall become effective 60 days after its adoption by the Selectboard. If a petition is filed under 24 V.S.A. § 1973, that statute shall govern the taking effect of this ordinance.
